West Lake is a premier Augusta destination for guests from around the world. West Lake Country Club, designed by Donald Ross's protege, Ellis Maples, is a traditional course known for its impeccable playing conditions and its Champion Bermuda greens that run 11.0-12.0 on the stimpmeter. The course opened in 1969 on a 700-acre site, with water features on seven of its 18 holes. West Lake will challenge and reward players of all levels with tee options ranging from 5,289 to 6,857 yards and its new 320-yard driving range with Champion Bermuda and practice areas for fairway or greenside bunker shots.

Golf is the closest game to the game we call life.
You get bad breaks from good shots; you get good breaks from
bad shots — but you have to play it where it lies.
- Bobby Jones
